

A Note From A Clever Leprechaun

Dear Lads and Lassies,

Nice try trying to catch me. You almost caught me, but I'm just too clever. Perhaps you will have better luck next year. Enjoy your St. Patrick's Day. Maybe you will find gold coins with chocolate inside (my favorite!) or a pot of gold at the end of a rainbow.

Until next year,

Mr. Clever Leprechaun

P.S. I hope you're wearing green today!
