

Name _____

Watermelon Seed Spitting Contest

Enjoy a sunny day with a watermelon seed spitting contest. Cut slices of watermelon for your children. Then, have them take turns seeing how far they can spit their seeds. Analyze what makes the seeds go farther. Does air flow, angle, or stance make seeds go farther? Record your data below.

Participants Names	Name	Name	Name	Name
Attempt #1 Distance				
Attempt #2 Distance				
Attempt #3 Distance				
Attempt #4 Distance				
Attempt #5 Distance				
Attempt #6 Distance
